Disclaimer

Experiences and success of the Unit owners vary depending on conditions. Max Manufacturing Inc., make no promises or guarantees with regard to profitability or performance.

General Copyright Policies: For the purposes of understanding the applicability of Copyright as it applies to products of Max Manufacturing Inc, we have restated the definition: Copyright is defined as the exclusive right of a creator to reproduce, prepare derivative works, distribute, perform, display, sell, lend or rent their creations.

Liability: Max Manufacturing will not be liable to you for any special, indirect, consequential, punitive, or incidental damages (including, without limitation, damages for loss of business profits, business interruption, loss of business information or any other pecuniary loss) arising out of the use of or inability to use this product. Your entire liability and your exclusive remedy shall be no more than the amount paid for the particular product. Your rights may vary from state to state.

Breach of Agreement: You agree to indemnify and hold Max Manufacturing Inc. and its successors harmless from and against any damages or liability of any kind arising from your use of the product in any form, any breach of the terms and conditions of this Agreement, or your negligent act. Omission or willful misconduct. If any part of this Agreement is found void and unenforceable, it will not affect the validity of the balance of the Agreement, which shall remain valid and enforceable according to its terms. Its license rights granted pursuant to this Agreement shall automatically terminate upon your breach of this Agreement.

No Representation: Max Manufacturing Inc, referred to as Company, has not made any representation or warranty as to the accuracy or completeness of this information. The Company will not have any liability to arising from the delivery or use of the information, except to the extent expressly set forth in any definitive written agreement that parties may execute in the future. The financial performance of the ice unit or ice units which is/are the subject of future Agreements will depend entirely on the buyers efforts to select a suitable location and promote and manage the ice unit or ice units; and Company makes no promise that an ice units will meet or exceed the performance of the units which are the subject of the pro-forma information disseminated by Company.

Forward-Looking Statements: Legal Notice Regarding “Forward-Looking Statements” as defined in the Private Securities Litigation Reform A* of 1995 may be included on website and printed materials. These statements relate to future events or our future financial performance.

These statements are only predictions and may differ materially from actual future results or events. Max Manufacturing Inc, disclaims any intention or obligation to revise any forward-looking statements whether as a result of new information, future developments or otherwise. There are important risk factors that could cause actual results to differ from those contained in forward-looking statements, including, but not limited to, risks associated with changes in general economic and business conditions (including changes in technology), actions of our competitors, the extent to which we are able to develop new services and markets for our services, possible failure of products in the market for our service, possible failure of products in the market for any number of reasons, the time and expense involved in such development activities, the level of demand, failure of patents to adequately protect our products, market acceptance of our services and changes in our business strategies and many others.

Earnings Income Disclaimer: Max Manufacturing Inc makes every effort to ensure that we accurately represent earning and income statements made by our company are estimates of what the machine can produce. There is no guarantee that the machine will meet these levels of income and you accept the risk that the earnings and income statements differ by individual capacity, business experience, expertise, and level of desire. There are no guarantees concerning the level of success you may experience. The examples used are exceptional results, which do not apply in every case, and are not intended to represent or guarantee that anyone will achieve these results. Each individual's success depends on his or her background, dedication, desire and motivation. There is no assurance that examples of past earnings can be duplicated in the future. We can not guarantee your future results and success. There are some unknown risks in business that we can not foresee, which can reduce results. We are not responsible for your actions. Deciding to become involved with this machine, should be based on your own due diligence and you agree that our company is not liable for any success or failure of your Machine that is directly or indirectly related to the purchase and operation of our products or the information provided. For more complete information about this including risks, charges and expenses, contact us before you invest. The information contained herein is from sources believed to be reliable, but we cannot guarantee its accuracy. Of course, any financial decision should be made after careful review of your individual financial situation, risk tolerance, investment objectives, and time horizon.
